Laser cut sun control and shade structures are fast becoming the ideal choice for commercial spaces and applications, with a range of choices in both design and material. These systems aid in controlling sunlight in architectural spaces and are precise, functional and durable. Our MetalSpaces range of products offer comprehensive and quality architectural solutions for laser-cut metal panels, from custom space dividers and lighting panels to sun control and shade structures.

BROW (TYPE B) - TECHNICAL DATA

MATERIAL

FINISH

WIDTH / LENGTH

BROW SYSTEM TYPE B
